

ST JOHN'S COLLEGE

30 November 2016

NEW SECURITY ACCESS DISCS

Security is of paramount importance to us and as such we implemented a security access disk for all vehicles to ensure strict control of those entering and exiting the campus, and we will be continuing with the process in 2017.

You will be able to collect your 2017 licence disc holders and inserts for two vehicles from the school secretaries - Nozibusiso Mokele in The Bridge, Lecia Kruger in the Pre-Prep, Debbie Powell in the Prep, Pat Schaerer in the College and Sarah Lees in Sixth Form. The school secretaries will capture relevant information for each vehicle (for all new pupils or for any changes in vehicles since last year). Should you require more than two disc holders and inserts, a fee of R15 cash for each additional one is charged. You will also need to supply details of these additional vehicles.

The new inserts will be phased in over the remainder of this year and January next year, and will be compulsory from Monday 1st February 2017. Thereafter, anyone not displaying the new inserts will be obliged to sign in with security. You are welcome to send your child to collect them, as long as he/she has the relevant vehicle details with them.

We appreciate your understanding and cooperation with this important security initiative.

Yours sincerely,

David Vermeulen
Business Manager
