

ST JOHN'S SIXTH FORM

St John's Sixth Form is delighted to announce the 2019 AS and A Level results.

St John's College Sixth Form attracts top students from all over Africa and the world offering Cambridge AS and A Levels that are internationally recognised, providing access to universities across South Africa and the world.

The subject pass rate of the students who wrote the 2019 A Level examinations was 99%. 83% of these students achieved A to C symbols across all subjects, with 11% of our symbols over 90% in one or more A Level subject and 22% over 80%.

We also congratulate our Lower VI students, 30% of whom achieved A symbols across their subjects in their Cambridge AS examinations, boding well for their Upper VI A Level year.

"The consistency in the overall results is impressive and is a tribute to the dedication and expertise of our teachers," says Mrs Kate Byrne, Head of Sixth Form. "We wish all our 2019 Upper Six leavers the very best as they start their university careers in South Africa or abroad, and know they are well prepared and equipped to succeed."

St John's Sixth Form has produced exceptional AS and A Level results since 1972, attracting top students from all over Africa and the world. These students leave with an internationally recognised qualification that affords them access to universities across South Africa and the globe.

St John's Sixth Form is situated on the magnificent heritage campus of St John's College in Houghton, Johannesburg providing a world-class Christian, African education with single-sex boarding facilities and excellent security.

The South African Rand offers a competitive affordability option for families who may be considering a Cambridge International A level education abroad.
