COLLEGE CLASSIFIEDS

February 2021

WELCOME TO THE COLLEGE CLASSIFIEDS

Welcome to the St John's College Classifieds, our digital publication that offers our community the opportunity to advertise to our Johannians.

Whether you are advertising accommodation for sale or rent, holiday accommodation, venue hire, beauty services, sports coaching, vehicles for sale, au pair services or employment opportunities, we have an ad space for you.

The College Classifieds offers our community the opportunity to advertise products or services in an electronic format, linked to the St John's College website. The College Classifieds will be shared with the St John's College community once a month.

All proceeds go to the St John's College Foundation. The Foundation supports the St John's College Academies and the Centenary Scholarship Programme. Every contribution to the Foundation reinforces St John's College's sustainability as a world-class Christian, African School.

The next edition will be in March 2021. Material is to be received and paid for no later than the 25th of the month. No adverts will be accepted without payment. Deadlines may vary due to school holidays.

<p>Spekboom and Vitamin C</p> <p>We require around 65 - 90 mg of Vitamin C daily for the growth, development, and repair of our bodies. Just two of these little leaves give us the minimum daily dose acting as a powerful antioxidant. The crunchy leaves of the Spekboom offer up a light lemony flavour and can be added to salads or simply eaten off the tree.</p>	<p>Spekboom and Carbon Dioxide</p> <p>Spekboom thickets are more effective than the Amazon rainforest in eliminating carbon dioxide from the air. It also has the extraordinary ability to photosynthesize at night, boosting its oxygen output further. Perfect indoor / bedside pot plant.</p>

URBAN BLOSSOM HONEY

My bees forage among many beautifully scented fruit trees, herbs and flowers. The resulting honey is a unique delicious blend of flavours conjuring to mind a summer meadow in bloom.
