WELCOME TO THE COLLEGE CLASSIFIEDS

Welcome to the St John's College Classifieds, our digital publication that offers our community the opportunity to advertise to our Johannians.

Whether you are advertising accommodation for sale or rent, holiday accommodation, venue hire, beauty services, sports coaching, vehicles for sale, au pair services or employment opportunities, we have an ad space for you.

The College Classifieds offers our community the opportunity to advertise products or services in an electronic format, linked to the St John's College website. The College Classifieds will be shared with the St John's College community once a month.

All proceeds go to the St John's College Foundation. The Foundation supports the St John's College Academies and the Centenary Scholarship Programme. Every contribution to the Foundation reinforces St John's College's sustainability as a world-class Christian, African School.

The **College Classifieds** will be published each month with material received and paid for no later than the 25th of the month. No adverts will be accepted without payment. Deadlines may vary due to school holidays.

EMPOWER YOUR TEEN WITH COACHING

"The greatest gifts you can give your children are the roots of responsibility and the wings of independence."

Denis Waitley

Has the COVID-19 lockdown left your Teen asking some hard questions about his life, career and future?

With our world grinding to a sudden halt to control the Corona pandemic coupled with the stress of launching ourselves into a new digital existence and way of life, it's no surprise that many of us are feeling unsettled with new, unexpected routines and a plethora of additional stressors to contend with.

While studying from home certainly has its pros, there are major challenges which Teenagers have had to contend with during lockdown. With shifts in personal, mental and emotional development taking place coupled with the demands of school with diminished structure for learning and studying and reduced social contact, Teenagers are experiencing more pressure and stress than ever before.

To be happy, Teenagers need to take charge of their life, grow their confidence, become people-magnets, improve their lifestyle and follow their dreams. With the right guidance and encouragement from a Teen Coach, Teenagers gather confidence, determination and take responsibility for their future, learning to focus on and achieve their goals, to become the best version of themselves possible.

THE BENEFITS OF TEEN COACHING
